MAHOROMATIC

Let's
go!!

第 2 話

8 Out of 634 is Fine

I will work
hard today
as well!!

The last report on our agenda today is regarding the incident that occurred at 1439 on the 27th of July, the appearance of an Armored Soldier on the land off Yokosuka Juntama Coast.

This incident had no direct relation with our enemy 'Salni' or their invasion plan. The cause of the malfunction was due to the Americans' failed attempt to convert the enemy's Armored Soldier for their own use.

Upon landing on the coast, the enemy performed indecent acts on female targets. Subsequently, it entered battle with the ex-Vesper warrior Mahoro.

At 1431, Mahoro successfully terminated the enemy's function. At 1723, the Naval Defence Force was dispatched to recover the carcass. It was reported that the heart organ has been completely destroyed and cannot be repaired.

Secretary - Shina Eiri

Even if the entire world is in flames, their own country won't be touched.

In the end of every movie that they've made, peace will always return to the country after war time.

We have no idea what effect it will have. This time it was just molesting innocent but if women something went wrong, it could have been a massacre.

Saint's machines can't be reprogrammed that easily for their own use. They STILL don't get it.

Sub-commander
Gurji Yoshitiko

Commander -
Daimon Hayato

Mahoro was there by chance to take care of the problem, but we don't know if that was for the best or not.

That must have been a rather hard battle.

Mahoro's present power is not even 30% of that when she was in service, right?

And unnecessary wasted energy...

Leader - Don Vesper

Professor Hokaze Minato

Emmmmm...
Regarding that
point, since the
battle was
carried out solely
with Mahoro's
Magnum,

plus the duration
of the battle was
short, the actual
energy depletion
was negligible.

Ahem

Is that
right?
It's good
to hear.

That
concludes
today's
meeting.

Not
quite
yet.

Yes!

Please be
more careful
in future
operations,
everyone!

Anyhow,
after this incident,
it is becoming more
difficult to conceal
information about the
enemy. If the general
public gains
knowledge of the
existence of aliens,
the relations between Saint,
other countries and
ours will intensify

Why are there so many pages?

This is a midsummer greeting.
How is everyone doing, battling the heat of summer?

Where? Why didn't you say so earlier?

A letter from Mahoro arrived.

Roar

Everyday, I am...

Breakfast time! Breakfast time!

Separately it's morning, please wake up.

*Sourmen is a plain, thin wheat noodle

Whaaa!?

Mahoragami, do you want to take an afternoon nap?

It's almost time...

She's still trying to keep up her appearance.

How... how can I do that??

I'm completely awake today.

pya

Wh...
why is
there a
chick?
Where did
the chick
come
from?

The.. the chicks..!
The chicks..!

Before sunset,
I will have to
collect the
laundry, then
I will have to
go grocery
shopping.

Why are you here for a home visit everyday around dinner time?

Why...

Oh my, what a coincidence ♡

Tonight's menu
- salt grilled scad
- boiled vegetables
- hijiki (Brown algae seaweed)
- udo sushisage (udo with vinegar and miso sauce/dressing)
- tofu miso soup & rice (gohan)

Somewhere you'll never have any relation with.

I am a growing person.

This is your third bowl already, haven't you had enough?

What more can you grow than this?

This is
really
upsetting
her.

It is
unusual for
the normally
charitable
and
respectful
Mahora.

Her writing
style is getting
confusing, the
contents of
the letter are
starting to
make less
sense

There is this teacher, Shikjou-sensei...
has some wicked desire towards Sugou...
night after night she comes over to eat
that, MAKES ME 50000 ANGER!!
I am about to EXPLODE!!!

Talk about
that
Shikjou
sensei.

Ha...
I can go
on
forever...

Yes,
read on.

Kuss...

There is
no such
need.

This person is to
be investigated
immediately, and
have her
eliminated if
necessary.

Floo

Streaky

Sigh

"Shikjou-sensei has unsightly, large breasts and likes to show off.

And she keeps calling my breasts 'washing board', 'Tokechi Plain', 'human face board' to make fun of me.

Those Tokechi Plains are the dirtiest part of Japan in every Hokkaido.

saying those things everytime.

Not that right

You wish, you underdeveloped maid!

I will show you hell today!

Een... This is becoming a daily thing...

(Blah) (blah) (blah)

Moreover, it's like my (blah)

And so,
the hot
summer
days
continue,

please take
care of your
health and
not fall ill in
this weather.

So you
don't
have to
worry
about
me.

I am very
happy
everyday.

Commander
Daimon,
Sub-
commander
Gung,

Shiner-
san.

Leader-
sama,
Professor
Hoksze.

And also to the
rest of the crew
of Vesper, I wish
you well and look
forward to the day
the battle ends.

I wish that
from the
bottom
of my
heart

It seems
that
way

seems like Mahoro
is using her
remaining time well

them is true.

Then, what about the 1st?

Hmm, 99% of them are not true..

Then, you're 100% true?

Then, you're 100% true?

Do you believe in those things, Suguru-san?

But those girls are bastards...

The school is deserted at night. It kinda gives you an eerie feeling...

If there really are real ghosts, I would like to see them myself as well.

That's women for ya

We'll do the report write-up, you guys can go survey the place like that.

They were the ones who decided on the open research topic, and now, they're saying

Questionable topic.

Everyone, since there are really no such things, why don't we just finish with the investigation quickly and we can all go home.

Hey hey

...she was saying, might as well look the part while we are at it.

I'm not complaining, but why is she dressed like a mikor?

Are you sure you're ok for that?

Mahoro-san is so reliable.

Wahahaha ha ha

Once upon a time, there was a girl with the name 'Andou', who got transferred to this school.

From yesterday I am Andou-san, the real.

What kind of mystery is this. Red Haired Andou-san?

And so, we will begin with Higuchi 4th Middle School's 8th mystery - "Red Haired Andou-san" to start our investigation.

This girl was born with naturally curly, red hair, and it was because of this reason that she was bullied by her classmates, even the teachers looked down on her.

Finally, she couldn't take it anymore and killed herself by jumping off from the top of the school building.

Her head hit the ground first, and the blood that flowed from the wound dyed her already red hair to pure red.

From then on, whenever someone climbs the stairs at night after school.

Spide

Spide

What a
hard to
please
person...

What am I
saying... It's
a ghost.

In any case,
we should do
as Mahoro-san
said before,
finish up
and get
the hell
out of
here.

I
agree.

She'll say 'I'll
make you
the same as
me! and
chop your
head off.'

If you
answer
'It is
red?'

Kunoooooooooooo
キキキ

—and
when you
turn around,
Red Haired
Andou-san
will ask you.

Is my
hair red?
It's red,
isn't it?

Shut up, Tsubaki!

She'll say
'You're a
liar! and slit
your throat.'

If you
answer
'It is
not?'

Ba-
baka!
There's
no
turning
back
now!

I'm
scared!
Let's go
back
already!

I
see.

Although I
think I should
tell them the
truth now...
It would
spoil the
moment.

You're not
making any
sense!

How can I?
We're
all going to die!

In any
case, please
calm
down
first.

Ready!

We'll
start
with
our
right
foot
together.

Are
you
ready?

with the 9th
mystery, the

With its charming

Kanzaki-san,
what a tired
you have, flying
a return trip
after having
such a busy
day

Would
you care
for a drink?

I can't
settle down
after a
coverage until
I've written up
the report...

It's an old
habit from
my days
as a
reporter...

Ah...
coffee
would
be nice.

unidentified
flying
objects
have been
spotted
numerous
times.

Lately,
around
the

This is for
sake of the
Misato
household.

It is a natural
obligation to
maintain a
smooth
relationship
with the
local
community.

What are
you talking
about? My
aim of pre-
sented is to
become the
strongest
maid.

*Sigh

I don't know
what this pro-
duction of the
neighborhood
association is...
but what does
the strongest
fighter in Vesper
have to do with
the Utagon
dance?

Note:
Utagon
Festival of
the Lanterns

Anyway,
check and
see if I
am doing
this
perfectly.

Mahoro-
san, it's
about
time, we
should get
going—

This raising
of both hands
diagonally
from the lower
left to upper
right, its timing is
more difficult
than I had
expected..

All together,
it goes on
for about
3 hours.

How long
does this
dance
have
to last?

This
production
of the
neighbor-
hood
association
just isn't
fun.

Ah, over
there, over
there.

Mean: Hiryu is the main character. Dashi: means teacher, gives it more the young dance teacher.

We will now
have a short
ten minute
break.

Suguru-
suguru.

Hmmmm,
with her
fearless
movement,
she sure is
the perfect
Hiryu
Ondo.

That's
because
she did
intensive
training
everyday.

As if she
was born to
be the
Hiryu girl!

No no..
I really
enjoyed it.

Thanks
for your
hard-
work

Good
evening~

Hi

Hi

おはよう

Yahho~

Let's
GO to
the night
fair!

We still
have some
time
before
the fire-
works
display.

Now that
everyone
is here..

Mahoro-san,
this is the
first time
you've been
to a night
fair, right?

Is this the
night fair that
I looked so
forward to,
Suguru-san?

Ahhh! So,
this is what
a night
fair is like!

Mahoro-san,
Mahoro-san,
Let's
go eat
some
yakisoba~

Yes!

yakisoba -
Japanese fried
thin noodles.

Staying
out to
play at
this
hour...

Didn't
the rules
printed
before
summer
vacation
prohibit
going out
after
7pm?

You
naughty
thing.

For
that, you
need
to be
punished..

Wa.. wait
a minute
Shikjou-
sensei.

please
calm
down!

お
お
お

Let's engrave
in your
flesh this hot
and teary
night!!

Come on, tonight
we'll have an
abnormal and
dangerous first
encounter!

Teacher

Shan
shan
shan...

I am just
true to my
own
feelings!

It's no use
to talk,
please
reflect on
your
actions.

And for
that, you
immediately
respond
with
violence, L.

Sigh.
I cannot
even take my
eyes off you
for just a
moment...

What are
you
saying?

To be
truthful
doesn't
mean you
can neglect
common
sense.

Ma.
Mahara-
sen, don't
you want
to play
target
practice?

Eh?

Ah?

Yes!

popo

Then father passed away.

First mother passed away.

Why does it
have to be
like that...

Ever since
I've been
left alone,
it's been
very hard
to come
to the
summer
festival...

Suguru-san,
it's starting!

Sugur-san,

Eh?

Boom

Shall
we
go?

Oooooooh,
over here!

I am
carrying
beer
you
know.

H... hey!

Time remaining before
Mahoro's system shuts down..
